

Smiles are on the house 🏠

It's what **you** expect.

LONG LIVE HAPPY HOMES®

Expect the freedom of choice with our industry-exclusive Appliance Replacement Offer.

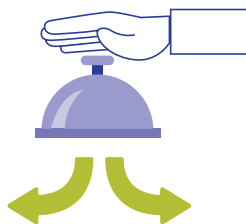

When it comes to delivering on expectations, 2-10 Home Buyers Warranty (2-10 HBW) understands that everyone is different, and a one-size-fits-all approach doesn't always work. Homeowners expect options and the ability to choose the solution that works for them. Take appliances, for example: Some folks love their appliances and want them to last forever. Other folks love shiny and new, and want the opportunity to upgrade.

Here's how it works

When placing a service request for a covered appliance, the homeowner has the option to proceed with the service request OR to participate in the Appliance Replacement Offer program.

2-10 HBW repairs

OR

Homeowner goes shopping

If the homeowner opts to continue with their service request as usual, no problem! 2-10 HBW will dispatch a service contractor to diagnose the failure and repair or replace as necessary.*

If the homeowner chooses the Appliance Replacement Offer, 2-10 HBW will provide a check for \$100 that can be combined with the money they saved on their service fee, and apply that towards a brand new appliance of their choice from any retailer they want**.

All our homeowners enjoy exclusive access to the GE® and Whirlpool® Home Appliance Discounts program where they can purchase large and small appliances up to 65% off retail.

It's enough to make you **smile**, isn't it?
